February has been a memorable month here at Beaumont Manor, with a wide range of activities and special moments shared across the home. It has been wonderful to see residents enjoying creative sessions, celebrating important milestones, and spending time together with family and friends.

We always aim to provide a balance of meaningful activities, social opportunities and quieter moments, and this month has reflected that well. Thank you to our residents, families and staff for continuing to make Beaumont Manor such a welcoming and supportive place to be.

SEASONAL EVENTS

Valentine's Day

Valentine's Day was marked with a warm and thoughtful celebration across the home. We hosted a candlelit dinner for couples, while others enjoyed a relaxed afternoon tea accompanied by piano music.

The atmosphere throughout the day was calm and enjoyable, giving residents the opportunity to celebrate relationships, friendships and shared moments in a way that suited them.

RECENT ACTIVITIES

Creativity in Bloom

February began with a lovely display of creativity from our residents on the first floor. They spent time working on floral arrangements, showing great attention to detail and care in their designs.

Each arrangement reflected individual style and creativity, and the finished displays brought colour and a fresh feel to the home. It was a relaxing and enjoyable way to start the month.

Fish & Chip Friday

We brought a touch of the seaside into the home with our popular Fish and Chip Friday. Residents enjoyed a traditional meal served in a relaxed setting, which is always something they look forward to.

This has become a well-loved tradition, with many residents anticipating it each week. It offers both a familiar meal and a chance to reminisce about trips to the coast.

Animal Visits

Towards the end of the February, we welcomed a variety of animals including alpacas, goats and guinea pigs.

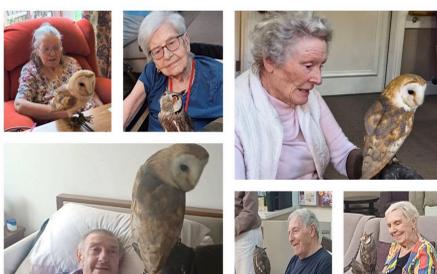

These visits are always well received, offering a chance for residents to interact with animals, which can be both calming and engaging. The visit sparked plenty of conversation and brought a different kind of activity into the home.

Owl Adventures

Residents enjoyed a visit from some very special feathered guests during our Owl Adventures session. The opportunity to see the owls up close created a lot of interest and conversation.

It was a different kind of experience for many, and residents enjoyed learning more about the birds while spending time together.

MEANINGFUL MOMENTS

Four Generations Together

We were grateful to capture a special moment this month as four generations of one family came together at Beaumont Manor.

These moments are always meaningful, both for residents and their families. It was a wonderful opportunity to reflect on family history and create lasting memories.

101st Birthday Celebration

We were delighted to celebrate a very special milestone as one of our residents marked their 101st birthday.

It was a lovely occasion, with time spent celebrating with fellow residents, staff and family. Reaching such a remarkable age is something to be proud of, and it was important to mark the day in a way that felt meaningful.
